

The Year 5767 (2007): A Time Of Movement And Clashing

Chuck Pierce

We have now entered the **Hebraic Year 5767**. In Hebrew, these numbers have meaning. This is "The Year of **Samekh Zayin!**" This means that this will be "**The Year That Swords Will Clash**" We are still coming full circle in our lives, but this is the year that the Sword of the Lord becomes the central figure in our journey.

This war season that we are living in will be a year of great shaking and quaking! The Lord spoke to us this past weekend as we celebrated the Feast of Tabernacles and said:

"Plant your feet! Ready yourself for change! You are entering a year of shaking and quaking! This year will be known as the Year of Holy Spirit! This will be the year the RIVERS will rise!"

Watch where the heavens open and floods (physical) reach the earth, and document those places! Those are places targeted for a Holy Spirit invasion. Rising flood waters will cause you to move to higher ground. As the River of Holy Spirit rises you will find yourself moving to the high places. I will position My people on the high places this year. As you worship, I will cause ruling thrones of iniquity to topple. Like Dagon, their head will fall before My Presence! Get ready! I shake loose wicked structures. Watch in the night and watch Me manifest in the light!"

(This was a Word spoken on Saturday, October 14, during our Feast of Tabernacles Gathering. On Sunday, October 15, the earthquake hit Hawaii and the flood overtook Houston, Texas.)

Expect the Next Move of the Holy Spirit to Begin!

All "**sevens**" are dear to the Lord. The number "**7**" is linked with completion and fulfillment, and is the number that the Lord uses to represent the Holy Spirit. The Seven-Fold Spirit and the candle in the Book of Revelation are important for us to understand this year; "**...Directly in front of His Throne were SEVEN-lighted lamps representing the Seven-Fold Spirit of God**" (Rev.4:2-5).

Isaiah 11:2, says, "**The Spirit of the Lord will rest on Him, the Spirit of wisdom, understanding, counsel, power, knowledge, and of the fear of the Lord!**" Ask the Lord for Holy Spirit to overpower you during this season.

*(The Menorah is the **only** religious symbol that God designed! It represents an olive tree. We have developed two new anointing oils for this year using olive oil. The pomegranate oil and candle are incredible! We also have two pieces of jewelry that will remind you of this year. the Burning Menorah Bush and the Samekh Zayin! See the specials at the close of this letter.)*

Receive Your Crowns from Last Season's Victories

Many of the tests that have come into our path in the past season have been difficult. However, each test can produce a testimony. When we overcome we receive strength. The **Zayin** is a "Sword with a Crown". Your tests have sharpened you for the future! Take the crowns from your victories, throw them at His feet, and allow Him to release an anointing for you to overcome more this year!

Let Your Sword Be Sharpened! Let the MOVEMENT of Life Begin

The **SWORD** is a symbol of war (Lev. 26:25, Is. 34:5). These are times that the divine weapon for divine judgment (Deut. 32:41, Ps. 17:13) will take action in the earth. The **SWORD** is synonymous with **POWER** and **AUTHORITY** (Rom. 13:4). **Learn to exercise the authority you have so you may receive more.**

The Lord will balance the scales this year and bring a manifestation of His justice into the earth (Zech. 13:7). Do not fear! The **SWORD** produces the protection of God in our lives (Deut. 33:29), signifying the end of the wicked, their tongue, and the power of their persecuting spirit (Ps. 37:14-15). Remember that we are in a season of surrounding our enemies and taking back what has been taken. The **SWORD** is the **weapon of plunder**. Get ready to recover all!
