The present spiritual condition of our nation demands united, decisive action. This is a holy fast to unite the American church in humility, repentance, fasting and prayer.

We must experience a national awakening in our generation. Unite spiritually with other believers across the nation as we cry out together for a Christ awakening. Join in the Holy Fast from Jan 1 - 21st. Register your commitment to fast and pray at the following link: [Awakening America](#)

### Presidential Night Watch

Capitol Hill Prayer Partners (CHPP) is a ministry positioned on Capitol Hill in Washington, D.C., helping members of the Body of Christ to "pray for those in authority over us" in our federal government.

CHPP maintains a year round Presidential Night Watch where people dial into a teleconference to pray for the President.

### Dear Worshipping Warriors:

For years my request to God has been, God what are you up to today? How can I partner with you on earth? A few months ago the Lord told me to restructure this ministry. Then I began to observe what He is doing in Colorado.

As Christians we can tend to be shortsighted reactors to world events in which we exercise crisis management to put out liberal, radical or terrorist fires. Who said if you fail to plan you plan to fail? I don't know who coined that phrase but I believe it.

I remember visiting a pastor on an Indian reservation about 15 years ago. He told us of his 90 year plan. This shocked me to hear this 60 year old man make such a statement. He went on to state how his plan would be carried out by his sons and grandchildren. Like my Indian friend we have to think generational.

### Introducing Colorado Transformation Alliance

God has a well designed strategy to bring His righteous rule to America - every sector of society. We believe that it is time to make long range plans with a trans-generational scope to advance kingdom transformation in Colorado. That is the reason we are launching Colorado Transformation Alliance.

CTA will be comprised of several tracks each with a Director and their own set of goals and people connections throughout the state. We will have action tracks in the areas of: pastors, women, youth, prayer, business, arts and humanitarian.

Colorado Concert of Prayer, which many are familiar with, is now the Prayer Track for Colorado Transformation Alliance with Amy Everett as the new Director. See her information on prayer in the article below. You can also look forward to future updates from her.

This letter is your invitation to be involved in CTA. Together we will make the difference in Colorado. You can expect to receive more information about activities, events and prayers in the coming months.

The liberals promoting homosexual and abortion agendas have had long range plans. The liberal takeover of the Federal and Colorado government had been well planned for several years. Their take over of the media and education did not happen overnight. Radical Islam also has long range plans. Those plans are to destroy Israel and Christians.

### Remember to pray for Israel

Colorado is sponsoring/leading five one-hour prayer watches for the Presidential Night Watch in 2009. Contact Amy Everette if you are interested in participating in one or more of the conference call prayer meetings for the Presidential Night Watch.

God made a strong statement when He said those who bless Israel would be blessed. Blessing someone or some nation is not just saying, "I bless you." It is to favor them. Pray that America will continue to favor Israel and defend her against her enemies. Pray for all the Jewish people to know Christ and make Him known. Plan to attend the Rally to Support Israel's right to Self-Defense at the Colorado State Capitol Building, West Steps. Sunday, January 11, 2009 at 2:00 pm. For more information visit [www.AATColorado.org](http://www.AATColorado.org)

I pray that your revelation of who God is and His plan for your life, your family and community will greatly increase in 2009. I believe you will have courage to face the trials of today and faith to enter into God's covenant blessings. As you do, you will be propelled into your future.

Have a very blessed and prosperous New Year.

## December Prayer Focus: FEAR NOT

Given the state of our economy, many people are operating from a basis of fear. Fear regarding their jobs, their finances, and their future. However, the Word of God says in Romans 8:15, *For you did not receive a spirit that makes you a slave again to fear, but you received the Spirit of sonship. And by him we cry, "Abba, Father."*

It's time for believers to cry out to God and rely on Him for provision. As believers, we do not need to let fear take hold. We need to let God guide us to our "desired haven".

*Those who go down to the sea in ships, who do business on great waters, they see the works of the LORD, and His wonders in the deep. For He commands and raises the stormy wind, which lifts up the waves of the sea. They mount up to the heavens, they go down again to the depths; their soul melts because of trouble. They reel to and fro, and stagger like a drunken man, and are at their wits' end. Then they cry out to the LORD in their trouble, and He brings them out of their distresses. He calms the storm, so that its waves are still. Then they are glad because they are quiet; so He guides them to their desired haven. Oh, that men would give thanks to the LORD for His goodness, and for His wonderful works to the children of men! Psalms 107: 23-31*

### Prayer Points:

- Pray that believers will repent for putting money (the god of mammon) before our Lord and Savior. (Be sure that mammon has no place in your life).
- Pray that believers will repent for letting fear take hold in their lives. Phil 4:7 "And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus."
- Pray that believers will intentionally align with the Word of God to maintain their peace. John 17:23 "I in them, and You in Me; that

they may be made perfect in one, and that the world may know that You have sent Me, and have loved them as You have loved Me."

- Pray that believers are in the right place at the right time to take advantage of what God has in store for them.
- Pray for God's mercy on our nation during this time of financial strife and political change.

To God be the Glory.
