City Wide Prayer Meetings

There are several communities coming together regularly for corporate prayer and worship. They are praying for their town, county, state and nation. Give praise for the following:
1. Eads - on the eastern plains, four churches meet monthly

Dear Worshipping Warriors:

I am excited to be leading Colorado Concert of Prayer (CCOP) "for such a time as this". And, I concur with Jean Steffenson's last message to you indicating that we ask the questions, God what are you up to today? How can I partner with you on earth? Over four years ago God gave me a vision for a "ministry" that I couldn't fathom. Through Colorado Transformation Alliance and CCOP, I'm beginning to understand the vision. It is exciting to see how God is working through His people toward fulfilling this vision.

A statewide prayer watch is a piece of that vision. Please pray for ReUnion WatchNet: an online Colorado Concert of Prayer networking tool. As a grassroots prayer movement, the goal is to connect people of prayer across communities so that we achieve spiritual unity. Then we can stand strong as the body of Christ regardless of what takes place in the world.

"As a result, we are no longer to be children, tossed here and there by waves and carried about by every wind of doctrine, by the trickery of men, by craftiness in deceitful scheming." Eph 4:14

Intercessors participating in CCOP's ReUnion WatchNet will be able to readily connect with people of prayer in other towns throughout the state. Online forums will allow intercessors to pray for issues hindering other cities in their area or across the state. There will be more. Please send me an email if you have suggestions for website functions that will help connect intercessors.

Please pray for ReUnion WatchNet.

- Pray that God brings forth manpower to develop the database to run the website.
- Pray that God brings forth manpower to build the website.
- Pray that God provides the funding needed to build and support ReUnion WatchNet.
- Pray that the right people step forward to help us contact intercessors, prayer leaders and pastors across the state.

Remember to pray for Jean

Jean is taking on a bigger role in our state as she mobilizes Colorado Transformation Alliance. Please pray for her provision,

2. Holyhoke - in the NE, five churches meet monthly
3. Parker - S. of Denver, eight churches meet monthly
4. Springfied - SE corner, ten churches plan to start meeting
5. Grand Junction. Making plans for citywide prayer & worship
6. Denver - Cityprayer has been meeting for 2 plus years

February Prayer Focus:

Operate with Clear Vision

Last month, we addressed the need to pray against fear. As people break free from fear of man and worldly events, they need to catch hold of the fear of the Lord which is the beginning of wisdom, and the knowledge of the Holy One is understanding. Understanding God's direction with clarity will be critical in the coming days and months.

Prayer Points:

- Pray for clear vision among all believers that, despite circumstances, new possibilities will be identified and grasped.
- Pray that people will think clearly to judge fairly and act wisely.
- Pray for people to be lovingly sympathetic to the distress of others and to intercede for their welfare.
- Pray that people focus on a forward look with the hope they have in Christ rather than being overwhelmed in hopeless pessimism.
- Pray that people think less often of their rights and more of their duties and responsibilities.

Pray For Israel

Elections February 10, 2009

As I write this, voting is underway in Israel in a general election which will choose the prime minister who engages with President Barack Obama's new drive for peace in the Middle East. The bible makes it clear that a re-gathered Israel will never be scattered or divided again!

- Please pray for a government and prime minister to be put into office which will deal righteously and will have an ear to

hear when messages are released from the LORD. That these messages would, as in the days of Israel's ancient Kings, be released to our leaders by His prophets.

- Please pray that the Obama administration supports Israel as it stands unwilling to divide itself!

Rain Needed

Israel is in the midst of the driest winter since measurements began over 80 years ago, having received only 50% of average seasonal rainfall to date. Israel relies upon rain in the mountains in the north and in Palestine, Syria, and Lebanon. The water level of the Sea of Galilee has dropped to just 15" above the level at which the lake will suffer irreparable damage.

Pray that the Lord will show mercy, release rain and winter snows and replenish the Sea of Galilee and all water reserves in Israel and throughout the Middle East.
