Dear Worshipping Prayer Warriors,

God's glory will sustain!

In this season of challenges, it is critical that we acknowledge God in the fullness of His Glory and realize that only He can sustain us through it all. This is a time to be addicted to God; to seek His presence above all else. Some call it being "ruined for God."

When we choose to seek nothing but His presence by casting all other idols aside including our finances and our dreams, we make room for God to work wonders in our lives. We need to beseech God as Moses did in Ex 33:18 "Then Moses said, "Now show me your glory.""

The challenge is that we can't experience or see God's glory when our eyes are on our circumstances. If we focus on God more than our circumstances, we are free to operate with faith, hope and love.

God's glory will give us hope. "The LORD is my portion," says my soul, "Therefore I have hope in Him." Lamentations 3:24. No matter the circumstance, our hope is in what God has

done and will do for us.

Experiencing God's glory helps us cast out doubt and operate by faith. "And Jesus answered and said to them, "Truly I say to you, if you have faith and do not doubt, you will not only do what was done to the fig tree, but even if you say to this mountain, 'Be taken up and cast into the sea,' it will happen.""
Matthew 21:21 Faith will help us get through every circumstance.

National Day of Prayer

Thursday, May 7th

God's glory in our lives will prompt us to operate out of pure love. "And he answered, "you shall love the Lord your God with all your heart, and with all your soul, and with all your strength, and with all your mind; and your neighbor as yourself."" Luke 10:27 When we experience God's glory, His love will shine through us so that we put our friends and neighbors before ourselves. This will be critical in the days ahead.
